Wonderful Cure of Lung Disease.
PROVIDENCE, April 4.

That my dear friend was very much afflicted with
Lung disease had been up. His mind being
enfeebled, and medicines could not be
obtained, I purchased a bottle of the Great
Remedy. At the expiration of two days, he was
considerably better. He continued to improve
rapidly that by the time she had taken one
bottle was all at up. By the use of the
she was perfectly restored to health.

My wife paid the debt for the benefit of
himself.
